

Dear CPD Providers

Thank you to all those who attended the CPD online information session yesterday. We hope it was as beneficial to those who attended as it was for us.

It is of note that a number of queries were raised by CPD providers and addressed during the session. For those who were unable to attend, or those who would like to listen to the session again, the recording can be accessed from the following link and passcode.

**Passcode:** 4BCB\$=mE

In the coming week, the Board will be sending out further emails. The emails will include updated FAQs and an updated upload file; both of which have been updated to include issues discussed at the information session.

You will also be provided with your Provider ID and other details required to access the CPDMS.

The Board will also be emailing all practitioners to:

- Advise them of the introduction of the CPDMS;
- Provide them with their Practitioner IDs, and
- Advise them that they will be expected to provide those IDs to CPD Providers when attending CPD activities.

If you have any further queries, please don't hesitate to contact the Board to ensure that any issues can be addressed as soon as possible.

Thank you.

Kind Regards,

**Libby Fulham** | Executive Director
