Online payments now available 2025

Please be advised that our communication issued last evening included an incorrect date for when invoices and payments would be available via the Board's Service Hub.

The communication referenced these functions being available 7am AWST Friday 26 June 2025. It should have referenced 7am AWST Friday 27 June 2025 (today).

We are pleased to confirm that the Service Hub is now available for the limited functions [as outlined in the attached](#).

We thank you once again for your ongoing understanding as we work toward full restoration of our services.

Yours sincerely
Legal Practice Board
